ABOUT US

Our story

Baraka Textiles was formed in 2008 as a fabric manufacturing and exporting company specializing in knitted printed fabric. Later it expanded its portfolio to all types of fabrics including knitted, woven, solid dyed etc. Having accumulated both experience and expertise, now Baraka Textiles envisions itself as a trailblazer in the textile export industry, not just within Pakistan but extending across South Asia

With decades of experience and expertise in fabric manufacturing, Baraka Textiles inaugurated its sister company, **GNB Garments** in 2017 and extended its operations in garment manufacturing. With fully compliant manufacturing facility, skilled labour and the right expertise, GNB Garments is proud to serve its brand partners across the globe.
